BAAG Members and Friends,

Here are the dates for BAAG meetings for 2018.

Please note that we will not be meeting for Morning Tea when the first Saturday of the month falls on a long weekend or during School Holidays.

Morning Tea and Evening Coffee gatherings are open to all - BAAG members, family and friends and anyone with an interest in Autism Spectrum Disorders.

The Bowling Event and Discovery Centre Breakup are for BAAG members and their families (ie. partners, parents, grandparents, siblings, and/or carers) only.

Guest Speakers will be in attendance at some of our Morning Tea/Evening Coffee Events. These will be advertised on our website and Facebook page and members advised via email.

All activities are subject to change at short notice.

Alterations or additions to the Calendar of Events will be found on the BAAG website and Facebook page and sent out to BAAG Members via email.

Please look at the website from time to time for other activities or links to useful information that may be advertised there.

2018 AUTISM AWARENESS EVENT:

Chris Varney is Founder and Chief Enabling Officer of the I CAN Network. I CAN Network is driving a rethink of Autism so that young Australians on the spectrum think 'I CAN', not 'I Can't', in response to their challenges and opportunities.

Daniel Giles is also part of the I CAN network but is well known to our group and will share his personal journey

More details to come later on facebook or our website!

If you wish to contact BAAG, please do so via email or post (details above).

BAAG Membership forms can be downloaded from the BAAG website and can be returned via the post office box or email.
